DAY 8 *12th Nov : B D

An early start this morning as we visit Abu Simbel. Located near the Egyptian border with Sudan is one of the most impressive places in Egypt, known for its two massive temples and colossal monuments carved into the rock. They were erected on the orders of Pharaoh Ramesses II in the 12th century BC to display the power of Egypt to the visitors from Nubia.

Due to the construction of the Aswan High Dam and the creation of Lake Nasser, the temples of Abu Simbel were at risk of flooding. To protect them from destruction, in 1964–1968 the temples were moved above the water surface to a place about 65 m higher than their previous location. The Egyptian government and UNESCO funded the operation. A short boat ride to visit Philae Temple. We will also take a boat to the Nubian Village. Stay at The Mango Guest House or similar.

DAY 9 *13th Nov : B L D

This morning we board a luxury Dahabiya sailing boat and set off down the Nile River for 3 nights of bliss, as we float along the Nile. Relax, reset, enjoy the view of daily life along the Nile. Today we visit Komobo Temple.
